Lori Maloney  
Eastern Brook Trout Joint Venture

Dear Ms. Maloney,

On behalf of Great River Hydro, LLC, I am writing this letter to meet the requirements of the proposed Eastern Brook Trout Joint Venture grant application submitted by Trout Unlimited. As the landowner on which this project would be implemented, we welcome the opportunity to improve stream habitat for native trout while increasing flood resiliency in the watershed.

If there are any questions regarding this matter, please contact me at 603-498-2851. Thank you for your consideration.

Sincerely,

A handwritten signature in blue ink that reads "John L. Ragonese".
